GREENBANK

residents association

Please return by the Tuesday 10th June 2008 to The Bluebell Inn or The Village Stores

If you haven't heard of us then we would like to introduce ourselves. Greenbank Residents Association formed in May of 2007. The group emerged to Save Greenbank Playing Fields from being developed. Now having the park secured and the council, local councillors, wardens and head of parks and leisure support us were working hard to make positive plans for the future and community of GB.

Here we bring you a fun range of activities to help US know what it is YOU feel and think about

the park and your ideas about its future. Please use this opportunity to feedback. As a group we believe it is important we work as a community to make this a space we all want to use.

We began the consultation with the Friends of Levenshulme Easter Hunt, from there we will use this newsletter and do as much as we can physically can manage and afford. We will then call a public meeting. After this we will work towards a future vision from Green Bank Playing Fields.
